

# StudyTour Specialists

Global Booking Services specialises in group tours of international students in partnership with universities, English colleges, secondary schools, and high school English preparation programs nationally.

We will support your tour needs from the start to finish. Our online quoting system will assist you with selecting your tour requirements, while our team of experts will help guide the way to ensure your tour runs smoothly from start to finish. Our host families will ensure a welcoming environment for our international guests, creating a memorable experience for all.

We know all tours are different. At GBS, we tailor to your individual tour needs.

## Services Offered
